PROFESSIONAL SUMMARY

Artificial intelligence fresh graduate with a passion for leveraging cutting-edge technologies to drive innovation and solve complex problems. Committed to continuous learning and professional development, with a keen interest in expanding programming skills. Seeking opportunities to collaborate with industry.

EXPERIENCE

SAUDI DATA AND ARTIFICIAL INTELLRGENCE AUTHORITY (SDAIA) – DEEM   **Jul - Aug 2023**
COOP TRAINING
- Implement custom ServiceNow workflows to manage incident lifecycles, prioritize issues, and assign tasks to appropriate personnel based on predefined rules.
- Utilize SharePoint lists to track project tasks, milestones, and deliverables.

GOOGLE DEVELOPER STUDENT CLUBS (GDSC)   **Sep 2022 - present**
GDSC CORE TEAM MEMBER
- Engaged in workshops, hackathons, and coding sessions to enhance technical skills and knowledge.
- Assisted in organizing events and activities to promote technology and development within the student community.

WEB DEVELOPMENT TRAINER   Jan 2023
- Create and maintain up-to-date instructional materials.
- Collaborate with instructors to enhance the course offerings and student experience.
- Design a web development curriculum covering HTML, CSS, JavaScrip, and PHP.

IOT WORKSHOP TRAINER   Oct 2023
- Participate in creating the material.
- Pitching a concise and simple pitch to the students.

VOLUNTEER WORK
Volunteer | Duration: 306 hours.
- Assist in organizing and executing university events inside and outside university.

ACHIEVEMENT

- **First place** at the first programming competition in python at Shaqra university.   Dec 2021
- **First place** at the programmer's hackathon within a team at Shaqra university.   Sep 2022
- **Third place** at the IoT hackathon at Shaqra university.   Jan 2023
- **Certification of excellence** for graduation project.   2024

EDUCATION

COMPUTER SCIENCE, Track of Artificial intelligence   2024
Shaqra University | GPA: 4.99 of 5

CERTIFICATION/ TRAINING COURSES

- **Programming Essentials in Python**, Cisco Networking Academy   Jan 2020
- **Apple Authorized Training**, Apple   Mar 2023
- **Introduction to Cybersecurity**, Cisco Networking Academy   Jun 2023
- **Application programming using C#**, Tuwaiq academy   Aug 2023
- **Introduction to IoT,** Cisco Networking Academy   Aug 2023

SKILL

Soft Skills
- Fast learner.
- Communication skills.
- Problem solving.
- Rapid adaptation to the environment.

Technical Skills
- Programming languages: Python, JavaScript, c#, PHP
- SQL
- Flutter
- HTML, CSS
